

NET Remedies® #24 DAY & NIGHT VITALS®

#24 DAY & NIGHT VITALS® is specifically formulated to work much like a "time-released" or "time-activated" support as the body's organ meridians naturally become dominant during the continuous day and night cycles.

- Any major physical shift or mind-body change. Always take when correcting a NET Vital Point!
- Also great for travel and jet lag.
- Fatigue, chronic problems, sleeping difficulties, etc.
- Recommended to be taken along with other indicated NET Remedies.

"TIME-ACTIVATED" SUPPORT HELPS STIMULATE ENERGY

HOW DOES #24 DAY & NIGHT VITALS® WORK

Visualize getting on a plane in Los Angeles and traveling to Sydney, Australia. When your physical body arrives in Sydney, your inside "energy" probably hasn't caught up with this big change yet!

The same principle can apply when the practitioner helps the patient make any kind of shift or mind-body change. Taking **#24** offers the body constant "time-activated" support as it transitions into its new way of functioning.
