Basic & NEXT Combo

Learn NET with Dr. Deb Walker — Co-developer of NET

NET Basic (Nov. 22-23):

On Day 1, you will learn the simple 2-Minute NET Procedure through demos and workshops so you are able to immediately begin helping patients with this powerful approach!

On Day 2, you will learn the 15 Steps of NET, plus an introduction to the NET Vital Points. The NET material is streamlined for easy implementation and backed with scientific studies!

NEXT (Nov. 24):

Increase your skills and confidence with more hands-on practice to master the core steps while learning additional applications of NET! In NEXT, we'll expand on the NET Vital Points and present advanced techniques and valuable tips that will help you effectively use NET in your practice.
