

MASTERY OF NET MONET

Nov. 10-12
San Diego

The 2011 MONET manual includes ALL of the Walker's past Eagles Papers!

MASTER YOUR MIND WITH "DR. WALKER UNLEASHED!"

Get the Mastery!

Join us November 10-12 in San Diego for our upcoming MONET seminar. We're also excited to announce that all attendees to this seminar will receive the condensed wisdom and insight of over 12 years of the Walker's NET Eagles presentations, combined for the first time in one manual for easy access and reference. Selected papers will also be reviewed and workshopped, giving you a rapid boost further into the heart of NET.

In addition, don't miss the debut presentation "MONEY AND WEALTH" - it's a powerful new way to address the roadblocks on your personal & professional financial highways.
